NYFedIntro NYFED INTRO
This survey starts off by asking you about your perceptions of the economy. You will have seen some
of these questions in previous surveys. We are asking them again to find out about your current
views. Your answers are important to us. Please answer the following questions as well as you
can. If you should come to any question that you can't or don't want to answer, just click on 'Next'
until the next question appears.

Q6 UNEMPLOYMENT COMING 12 MONTHS
How about people out of work during the coming 12 months -- do you think that there will be more
unemployment than now, about the same, or less?
1 More unemployment
2 About the same
3 Less unemployment

Q7 INTEREST RATES NEXT 12 MONTHS
No one can say for sure, but what do you think will happen to interest rates for borrowing money
during the next 12 months -- will they go up, stay the same, or go down?
1 Go up
2 Stay the same
3 Go down

Q8 PRICES IN NEXT 12 MONTHS
During the next 12 months, do you think that prices in general will go up, or go down, or stay where
they are now?
1 Go up
2 Stay the same
3 Go down

IF Q8 = Stay the same THEN
|
| **Q9** WHAT MEAN PRICES IN NEXT 12 MONTHS
| Do you mean that prices will go up at the same rate as now, or that prices in general will not go
| up during the next 12 months?
