intro introduction

Thank you for continuing to participate in the American Life Panel. Your opinion is very important to us. In today's survey we want to ask you about your relationship with friends and family members who live outside your home.

How many close friends or family members would you say you have? By close, we mean friends or family members you talk to or write to (via letter, email, text message, facebook, etc.) regularly. Please do not include people who live in your household. Please only consider people 18 years or older who live in the United States.
