Well Being 301

introduction
In this survey we will ask you questions about your family structure and your housing situation. This survey is a continuation of the interview you participated in recently in which we asked you questions about your household composition, any health issues you may have and your cognitive abilities. This survey will on several occasions refer back to answers you provided in that interview. Please note that at some points during the survey it may take some time (up to 2 minutes) to progress from one screen to the other. This is due to the fact that the information you provided prior to that is being processed or retrieved. Please just be patient until the next question screen appears.

dummy
We will now retrieve information you provided to us in the previous interview concerning questions about your household composition, any health issues you may have and cognitive abilities. Note that this may take a few moments, so please be patient until the next screen appears. Thank you very much for your patience! Please just click next to continue.
