survey_intro intro evaluation survey

We would like to ask you a number of questions about the American Life Panel and your experience as a panel member this past year. We would like to find out what you like about the American Life Panel, and what we can improve. This questionnaire is divided into four subjects: making contact, your hardware, the surveys, and some extra questions. First, we will ask your opinion about your contacts with the American Life Panel staff, for example when you use the helpdesk by phone or email, or when you leave a remark on the home page or after a survey. We ask you to answer these questions as honestly and critically as possible. Next, we will ask you some questions about the hardware that you use to participate in our surveys. Then we are interested in your opinion about the surveys for which you have been selected. Finally we will ask you a few additional questions. Thank you!
