| ENDIF

**introduction** This survey will ask you about TODO.

Welcome to the second part of the CAPTCHA job ([Indicates the job of R]) for which you were selected. Recall, your job consists of doing [number of captchas part 2] captchas today, and [number of captchas part 3] captchas in 2 weeks from now. When you are ready to begin the job, please just click "Next". As before, you can stop at any time, but you must complete the survey before [] If you fail to do so, you will not be able to do any other parts of the job and you won't receive your

payment of \$[] After completing the second part of the job you will be invited to perform the third and last part of the task on []
