

Well Being 451

Q1 Awareness

Zika is a virus that has been in the news lately. How familiar are you with Zika and its risks?

- 1 Not at all familiar
- 2 A little familiar
- 3 Somewhat familiar
- 4 Very familiar
- 5 Extremely familiar

[The following questions are displayed as a table]

Q2 ProbabilisticRiskZika

What do you think is the percent chance that you will catch the Zika virus in the next year?

Range: 0.0..100.0

[End of table display]

[The following questions are displayed as a table]

Q3_intro ConsequenceRiskZika intro

If you do catch the Zika virus, what is the percent chance that you will experience each of the following? (Note that these 3 numbers should sum to 100%)

Q3_nosymptoms ConsequenceRiskZika no symptoms

No symptoms

Range: 0.0..100.0

Q3_mildsymptoms ConsequenceRiskZika mild symptoms

Only mild symptoms (for example, fever or rash)

Range: 0.0..100.0

Q3_extremesymptoms ConsequenceRiskZika extreme symptoms

More extreme symptoms or consequences (for example, pregnancy complications, hospitalization)

Range: 0.0..100.0

Q3_total ConsequenceRiskZika total

Total

[End of table display]

IF (ConsequenceRiskZika no symptoms + ConsequenceRiskZika mild symptoms + ConsequenceRiskZika extreme

symptoms) != 100 THEN

|

| **error_percentage** error percentage

| Please make sure the total adds up to 100%. Your answers are important to us. Please return to the

| previous question and answer it to the best of your ability.

|

ENDIF

Q4 AffectZika

How anxious do you feel when thinking about Zika?

- 1 Not at all anxious
- 2 A little anxious
- 3 Somewhat anxious
- 4 Very anxious
- 5 Extremely anxious

Q5 OtherConcerns

Please describe any specific concerns that you have about Zika, with respect to you or your family.

Open

[The following questions are displayed as a table]

Q6 Information

Where have you gotten information on Zika? Please check all that apply.

- 1 Directly from the CDC (like from their website)
- 2 Internet or social media (for example blogs, websites, Facebook, or Twitter)
- 3 Newspapers or magazines
- 4 TV
- 5 Radio
- 6 Doctor or other healthcare provider
- 7 Personal communication (such as talking to family, colleagues, or friends)
- 8 Employer
- 9 Other, please specify \$Answer2\$
- 10 None

Q6_other Information other

String

[End of table display]

IF Other, please specify \$Answer2\$ in Information and Information other = empty THEN

|

| **check_other** check other

| You selected "Other", but did not specify anything. Your answers are important to us. Please go back
| and correct your answer.

|

ENDIF

[The following questions are displayed as a table]

Q7 ZikaPrevention

What can people do to help prevent getting or transmitting Zika? Please check all that apply.

- 1 **Limit travel** to areas with the Zika virus
- 2 **Keep your distance** from people who may be sick with Zika
- 3 **Prevent mosquito bites** by wearing protective clothing and/or using mosquito repellent
- 4 **Wash your hands** more often
- 5 **Dump standing water** out of containers, such as flower pots and old tires
- 6 Wear a **mask**
- 7 Other, please specify \$Answer2\$
- 8 Nothing

Q7_other ZikaPrevention other

String

[End of table display]

IF Other, please specify \$Answer2\$ in ZikaPrevention and ZikaPrevention other = empty THEN

|

| **check_other** check other

| You selected "Other", but did not specify anything. Your answers are important to us. Please go back
| and correct your answer.
