[Randomized answerlist ♦ Not required]

If you were looking for information about childhood vaccines, which of the following media outlets would you turn to first?

If your favorite media outlet is not in the list below, select the one you would most likely turn to if these were your only choices.

- Fox News (1)
- CBS News (2)
- the New York Times (3)
- the Wall Street Journal (4)
- USA Today (5)
- Breitbart News (6)
- the Christian Science Monitor (7)
- MSNBC (8)

Scientists have added genes to certain food crops to make them insect resistant and herbicide tolerant. These are called genetically modified (GM) crops. Examples of GM crops in the U.S. include some corn, soybeans, and canola.

In the following questions, we will ask you about these GM crops and GM food made from these crops.

On average, how often do you hear or read about GM food?

- At least once a week (1)
- About once a month (2)
- A few times a year (3)
- More rarely (4)
- Never (5)
