intro intro evaluation survey
We would like to ask you a number of questions about the American Life Panel and your experience as a panel member. We would like to find out what you like about the American Life Panel and what we can improve. This questionnaire is divided into three subjects: making contact, surveys, and hardware. First we will ask your opinion about your contacts with the American Life Panel staff, for example when you use the helpdesk by phone or email, or when you leave a remark on the home page or after a survey. Secondly, we are interested in your opinion about the questionnaires for which you have been selected. We will ask you about the content, layout and length of the surveys. Finally, we will ask you some questions about the hardware that you use to participate in our surveys. We ask you to answer these questions as honestly and critically as possible. Thank you!
