

(MS553) IMPACT AND EXPERIENCE OF COVID-19 [SHORT VERSION]

w1_lifesat

[Not required]

Assume the ladder is a way of picturing your life. The top of the ladder represents the best possible life for you and the bottom of the ladder represents the worst life for you. On which step of this ladder would you say you personally feel you stand at this time?

Please select one number only – 0 is the worst possible life for you, 10 is the best possible life for you.

- 10 (10)
- 9 (9)
- 8 (8)
- 7 (7)
- 6 (6)
- 5 (5)
- 4 (4)
- 3 (3)
- 2 (2)
- 1 (1)
- 0 (0)

w1_resilience

[Not required]

When things go wrong in my life it generally takes me a long time to get back to normal.

- Strongly agree (1)
- Somewhat agree (2)
- Neither agree nor disagree (3)
- Somewhat disagree (4)
- Strongly disagree (5)

w1_healthstatus

[Not required]

In general, would you say your health is excellent, very good, good, fair, or poor?

Select only one answer.

- Excellent (1)
- Very Good (2)
- Good (3)
- Fair (4)
- Poor (5)

w1_wellbeing

[Not required]

Below are a number of things people might say they feel. How much of the time in the past week, did you...

	none or almost none of the time (1)	some of the time (2)	most of the time (3)	all of the time (4)
Feel happy (1)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Feel sad (2)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Feel stressed (3)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Have a lot of energy (4)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Feel lonely (5)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Feel worried (6)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

w1_coviddx

[Not required]

In this section we'd like to know about how the coronavirus (COVID-19) has affected you.

Has a doctor or other health care provider ever told you or a loved one that you or they have coronavirus (COVID-19)?

Select only one answer.

- Yes, me (1)
- Yes, my loved one(s) (2)
- Yes, both me and my loved one(s) (3)
- No (4)
- Not sure (5)

w1_covidtest

[Not required]

Have you been tested for coronavirus (COVID-19) (through a nasal swab or blood test)?

- Yes (1)
- No (2)

w1_covidexp

[Randomized answerlist]

Are you experiencing or have you experienced any of the following as a result of the coronavirus (COVID-19) pandemic or the response to the pandemic?

Select all that apply.

- Being exposed to coronavirus (COVID-19) through your work or workplace (1)
- Feeling isolated or lonely (2)
- Death or loss of a loved one (3)
- Not enough food for all members of the household (4)
- Unstable housing or unable to pay rent (5)
- Childcare challenges (6)
- Emotional or physical abuse from others (7)
- Difficulty caring for a chronic condition (yours or others) (8)
- Stigma or discrimination (from being blamed for spreading coronavirus/COVID-19) (9)
- Increased use of alcohol and/or drugs (10)
- Severe financial hardship (11)
- Disruption in school or education for self or someone in your household (12)
- Other issue not listed (13) [Keep position]
- None of these (14) [Keep position]

CONDITION

true

Question w1_finhard()

false

w1_finhard

[Not required]

How long do you think you will experience financial hardship a result of the disruption caused by coronavirus (COVID-19)?

Select only one answer.

- Not long at all (1)
- A few weeks (2)
- 1-3 months (3)
- 4-6 months (4)
- 7-12 months (5)
- More than a year (6)

END

Condition

w1_worry

[Not required]

How worried are you that you or a loved one will get coronavirus (COVID-19)?

Select only one answer.

- Not worried at all (1)
- Not too worried (2)
- Somewhat worried (3)
- Very worried (4)

w1_access_aa

[Not required]

When African Americans need health care, do you think it is easier or harder for them to get the care they need than it is for White Americans, or is there not much of a difference?

- Easier (1)
- Not much difference (2)
- Harder (3)

w1_access_lat

[Not required]

When Latinos need health care, do you think it is easier or harder for them to get the care they need than it is for White Americans, or is there not much of a difference?

- Easier (1)
- Not much difference (2)
- Harder (3)

w1_access_inc

[Not required]

When low-income Americans need health care, do you think it is easier or harder for them to get the care they need than it is for those who are better off financially, or is there not much of a difference?

- Easier (1)
- Not much difference (2)
- Harder (3)

w1_access_rur

[Not required]

When Americans living in rural communities need health care, do you think it is easier or harder for them to get the care they need than it is for those who live in urban areas, or is there not much of a difference?

- Easier (1)
- Not much difference (2)
- Harder (3)

intro_agreeDisagree

For the following questions, please indicate how much you agree or disagree with the statements.

w1_pocimpact1

[Not required]

People of color (e.g., African Americans, Latinos) are facing more of the health impact of coronavirus (COVID-19) than whites.

- Strongly agree (1)
- Somewhat agree (2)
- Neither agree nor disagree (3)
- Somewhat disagree (4)
- Strongly disagree (5)

w1_pocimpact2

[Not required]

People of color (e.g., African Americans, Latinos) are facing more of the financial impact of coronavirus (COVID-19) than whites.

- Strongly agree (1)
- Somewhat agree (2)
- Neither agree nor disagree (3)
- Somewhat disagree (4)
- Strongly disagree (5)

w1_sysracism*[Not required]*

Systemic racism refers to policies and systems that reinforce racial discrimination and unfair treatment of some groups, such as where people get to live or who gets bank loans. This type of racism can be so embedded in the institutions and practices of society that it can still exist even if individuals don't want to discriminate.

For the following question, please indicate how much you agree or disagree with this statement.

One of the main reasons that people of color (e.g., African Americans, Latinos) have poorer health outcomes (e.g., higher rates of diabetes, more deaths from coronavirus (COVID-19)) than whites is systemic racism.

- Strongly agree (1)
- Somewhat agree (2)
- Neither agree nor disagree (3)
- Somewhat disagree (4)
- Strongly disagree (5)

w1_engage*[Not required]*

There are many activities that a person could do to support their communities in these times. During the past month have you...

	Yes (1)	No (2)
Helped your neighbors (1)	<input type="radio"/>	<input type="radio"/>
Donated and/or volunteered to local organizations helping the poor such as food banks, job assistance programs, housing assistance programs, etc. (2)	<input type="radio"/>	<input type="radio"/>
Supported local businesses(e.g., buying take out food) (3)	<input type="radio"/>	<input type="radio"/>
Worked to change a policy or law to make your community better (4)	<input type="radio"/>	<input type="radio"/>

w1_comengage*[Not required]*

Thinking about the people and organizations in your community, how often do you think the people or organizations in your community are doing the following to help with coronavirus (COVID-19)?

	Most of the time (1)	Some of the time (2)	Rarely (3)	Never (4)
The people in my community are taking appropriate actions to help limit the spread of coronavirus (COVID-19). (1)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
The people in my community are taking action to support others who are struggling. (2)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
The organizations in my community are taking action to support people in need. (3)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

w1_stgovt2*[Not required]*

How much trust do you have that your state government (e.g., the governor or state legislature) is doing enough in dealing with the impact of coronavirus (COVID-19) to look out for the interests of all people, regardless of a person's race, how much money someone makes, where people live, or other factors.

Select only one answer.

- None (1)
- A little (2)
- A fair amount (3)
- A great deal (4)

w1_fedgovt2

[Not required]

How much trust do you have that the federal government is doing enough in dealing with the impact of coronavirus (COVID-19) to look out for the interests of all people, regardless of person's race, how much money someone makes, where people live, or other factors.

Select only one answer.

- None (1)
- A little (2)
- A fair amount (3)
- A great deal (4)

w1_business

[Not required]

For the following question, please indicate how much you agree or disagree with this statement.

Businesses in my community know more about how to protect their own employees and customers from coronavirus (COVID-19) than government officials.

Select only one answer.

- Strongly agree (1)
- Somewhat agree (2)
- Neither agree nor disagree (3)
- Somewhat disagree (4)
- Strongly disagree (5)

w1_drivers

[Not required]

Here is a list of some things that may affect people's health and well-being. Please rate each on a scale from 1 to 5 where 1 means it has no effect on health and 5 means it has a very strong effect.

	No Effect 1 (1)	2 (2)	3 (3)	4 (4)	Very Strong Effect 5 (5)
The health care they get (e.g., preventive and care when sick) (1)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
The place they live (e.g., community conditions, housing) (2)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

	No Effect 1 (1)	2 (2)	3 (3)	4 (4)	Very Strong Effect 5 (5)
The choices they make about their diet, exercise, smoking, etc. (3)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
How they were born (their genetics/DNA) (4)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

intro_future

For the following questions, please indicate how much you agree or disagree with the statements.

w1_equalaccess

[Not required]

It is the obligation of the government to ensure that everyone has access to health care as a fundamental right.

Select only one answer.

- Strongly agree (1)
- Somewhat agree (2)
- Neither agree nor disagree (3)
- Somewhat disagree (4)
- Strongly disagree (5)

w1_liberty

[Not required]

People's right to move about freely is so important that it's worth risking a substantial increase in coronavirus (COVID-19) infections and deaths.

Select only one answer.

- Strongly agree (1)
- Somewhat agree (2)
- Neither agree nor disagree (3)
- Somewhat disagree (4)
- Strongly disagree (5)

w1_economy

[Not required]

Reopening the economy is so important that it's worth increasing the risk of new coronavirus (COVID-19) infections and deaths.

Select only one answer.

- Strongly agree (1)
- Somewhat agree (2)
- Neither agree nor disagree (3)
- Somewhat disagree (4)
- Strongly disagree (5)

w1_positivech

[Not required]

The coronavirus outbreak can be an opportunity for our society to make positive changes.

Select only one answer.

- Strongly agree (1)
- Somewhat agree (2)
- Neither agree nor disagree (3)
- Somewhat disagree (4)
- Strongly disagree (5)

w1_riskhealth

[Not required]

I am willing to risk my own health in order to return to normal life.

Select only one answer.

- Strongly agree (1)
- Somewhat agree (2)
- Neither agree nor disagree (3)
- Somewhat disagree (4)
- Strongly disagree (5)

w1_protest

[Not required]

I think it is worth taking the risk to get coronavirus (COVID-19) to protest injustice, like police brutality.

Select only one answer.

- Strongly agree (1)
- Somewhat agree (2)
- Neither agree nor disagree (3)
- Somewhat disagree (4)
- Strongly disagree (5)

w1_racism

[Not required]

Racism is a major public health crisis.

Select only one answer.

- Strongly agree (1)
- Somewhat agree (2)
- Neither agree nor disagree (3)
- Somewhat disagree (4)
- Strongly disagree (5)

w1_injustice

[Not required]

The fact that more people of color (e.g., African Americans, Latinos) are dying from coronavirus (COVID-19) than whites is just another example of racial injustice in this country.

Select only one answer.

- Strongly agree (1)
- Somewhat agree (2)
- Neither agree nor disagree (3)
- Somewhat disagree (4)
- Strongly disagree (5)

CS_001 - CS_001

[Not required]

Could you tell us how interesting or uninteresting you found the questions in this interview?

- Very interesting (1)
- Interesting (2)
- Neither interesting nor uninteresting (3)
- Uninteresting (4)
- Very uninteresting (5)
