

(MS560) COVID-19 SURVEY [WAVE 6] [MENTAL MODELS]

introduction

Thank you for participating in this survey. It is the sixth and final in a series of surveys that you have been asked to complete, focused on the current coronavirus (COVID-19) pandemic. As a reminder, we have asked you to complete short surveys about your thoughts and experiences regarding the coronavirus to help us better understand your thinking about how it changes over time. Your responses are very important to us, as has been your willingness to continue to regularly complete these surveys. We are only interested in your perspective – there are no right or wrong answers to any of these questions. If you are uncertain about the answer to a question, please give your best estimate.

The first several questions ask you to list things you know or think are true about the coronavirus (COVID-19).

Please click “Next” to continue.
