completed_ms611

[Background variable (not asked in survey) ♦ Not required]

Have you completed ms611?

- Yes, completed ms611 (1)
- No, did not complete ms611 (2)

Survey_intro

Thank you for participating in this survey. It is the fifth in a series of surveys that you will be asked to complete, and are all part of the ALP Flu+COVIDPaths Study. Each of these surveys will be conducted on the ALP and labeled as part of FluPaths or COVIDPaths (or both). You will also notice the Flu+COVIDPaths logo on the surveys and in invitation emails, alongside the normal ALP logo.

Specifically, at least twice a year for the next two years, you will be asked to complete surveys about your thoughts and experiences regarding influenza (flu) and COVID-19, as well vaccination for each. This will help us better understand how your thinking about flu and COVID-19 changes over time. Your responses are very important to us, as is your willingness to continue to regularly complete the Flu+COVIDPaths surveys.

We are only interested in your perspective – there are no right or wrong answers to any of these questions. If you are uncertain about the answer to a question, please give your best estimate.

Please click "Next >>" to continue.

Section6_intro

The next section of the survey asks about members of your social network. For these questions, consider all the people with whom you discuss matters important to you.

The people in this set will likely differ in how regularly they do or do not get vaccinated for flu. Some people will always get the flu vaccine (that is, they will get it every year), some will sometimes get the flu vaccine, and some will never get the flu vaccine.

FluVaccAlterAlways -

[Numeric ♦ Not required ♦ Lower limit=0 ♦ Lower limit type=GreaterOrEqual ♦ Upper limit=100 ♦ Upper limit type=SmallerOrEqual ♦ Total Digits=4 ♦ Decimal places=1]

Considering this set of people, what percent do you think are the type of person who always gets the flu vaccine (that is, they get it every year)?

Either use the scale or type your answer in the box below. (If you type in your answer, do not use non-numeric characters like %.)

FluVaccAlterNever -

[Numeric ♦ Not required ♦ Lower limit=0 ♦ Lower limit type=GreaterOrEqual ♦ Upper limit=100 ♦ Upper limit type=SmallerOrEqual ♦ Total Digits=4 ♦ Decimal places=1]

Considering this set of people, what percent do you think are the type of person who never gets the flu vaccine?

Either use the scale or type your answer in the box below. (If you type in your answer, do not use non-numeric characters like %.)

COVIDVaccAlterPercent -

[Numeric ♦ Not required ♦ Lower limit=0 ♦ Lower limit type=GreaterOrEqual ♦ Upper limit=100 ♦ Upper limit type=SmallerOrEqual ♦ Total Digits=4 ♦ Decimal places=1]

Considering this set of people, what percent do you think have received at least one dose of a COVID-19 vaccine?

Either use the scale or type your answer in the box below. (If you type in your answer, do not use non-numeric characters like %.)

COVIDAlterPercent -

[Numeric ♦ Not required ♦ Lower limit=0 ♦ Lower limit type=GreaterOrEqual ♦ Upper limit=100 ♦ Upper limit type=SmallerOrEqual ♦ Total Digits=4 ♦ Decimal places=1]

Considering this set of people, what percent do think have caught COVID-19 in the last month?
