

Well Being 135

movie_intro movie intro

You and just a few others have been selected to participate in a small survey experiment. We are trying to see if people are able to see and hear videos in the panel so we can put them in future surveys.

sound_on check sound

We will need you to do a few things first. Often, people work with the sound muted. Can you check to see that your sound is on, and set at a reasonable volume, and turn on your speakers if you have them?

1 I checked, and turned the sound on to a reasonable volume
