Well Being 139

IF (randomizer indicating whether respondent got the short or bare survey = Bare survey) THEN
|
| **intro_returningpreviousbare** intro short survey if answered bare survey before
| Since May 2009 we have been asking you every month about your health and economic well-being. The
| wealth of data emerging from these surveys is proving to be an invaluable resource to our
| researchers. Watch out for one of our newsletters in the fall with some of the latest findings!
| And thank you for your thoughtfulness and effort when answering our surveys!
|
| **intro_returningpreviousbare2** intro short survey 2 if answered bare survey before
| Some of the monthly surveys are short (like May and June 2010) and some are long (like the survey
| in July). The survey for this month is one of the shorter ones. Some questions ask what has
| happened since a certain date which was when we last asked you these questions. You will
| receive $8 for completing the survey. This is more than what you received for the previous
| shorter surveys in May and June of 2010. The reason is that we have added some questions that
| will provide valuable information to extend our research. We understand that some of the
| questions are of a personal nature. Please remember that your answers are extremely important to
| us. Your participation is voluntary and you may skip over any questions that you would prefer not
| to answer. Your responses are confidential, and it helps us a great deal if you respond as
| completely, honestly and accurately as possible. Thank you for your participation!

ST010 chance investment blue chips worth more year from now
We are interested in how well you think the economy will do in the future. On a scale from 0 percent to 100 percent where "0" means that you think there is absolutely no chance, and "100" means that you think the event is absolutely sure to happen, what are the chances that by next year at this time mutual fund shares invested in blue chip stocks like those in the Dow Jones Industrial Average will be worth more than they are today?
Range: 0.0..100.0

BIntroShort intro to spending questions
The next questions are about how much your household spent on certain items in the last calendar month (i.e. during the month of [holder for previous month name]). As you will see, the list does not cover all types of spending, only those that tend to be most frequent. In later surveys we will ask about additional types of spending, and you will have a chance to report about those less frequently purchased items. [(Click here for a list of spending categories that we DO NOT ask about in this survey.)/ (Click here for a list of spending categories that we ask about LATER IN THIS survey.)] Please provide your best estimate of how much in total your household spent in the described categories. Please include spending by all members of your household, that is, by you and anyone living with you. Even if the amount your household spent last calendar month was unusual, please report that amount.
