

Well Being 257

ms_257_intro intro

This survey will ask about your experiences and beliefs regarding the flu and flu vaccination. Vaccines to prevent the flu can be given as a shot in the arm, or as a nasal spray.

i_01 vaccine last season

During the last flu season (Fall 2011 to Spring 2012), did you get a seasonal flu vaccine (either a shot or nasal spray)?

- 1 Yes
- 2 No
- 3 I don't remember

IF Yes in i_01 THEN

|

| **i_01_when** when vaccine last season

| When did you get the flu vaccine?

- | 1 August-September
- | 2 October-November
- | 3 December-January
- | 4 February-March
- | 5 April-May
- | 6 I don't remember

|

ENDIF

i_02_illness flu like illness

Have you had an illness that you thought was the flu at any time since September (2011)?

- 1 Yes
- 2 No
- 3 I got sick, but I don't know if it was the flu
- 4 I don't remember

[The following questions are displayed as a table]

i_3a_getvac_intro type who gets vaccinated intro

For the next two questions, please indicate how much you agree or disagree with the statement.

i_3a_getvac type who gets vaccinated

Generally, I am the type of person who always gets vaccinated for the flu.

- 1 Strongly disagree
- 2 Disagree
- 3 Neither agree nor disagree
- 4 Agree
- 5 Agree strongly

i_3b_nevervac type who never gets vaccinated

Generally, I am the type of person who never gets vaccinated for the flu.

- 1 Strongly disagree
- 2 Disagree
- 3 Neither agree nor disagree
- 4 Agree
- 5 Agree strongly

[End of table display]

[The following questions are displayed as a table]

tableintro how important table

When thinking about whether or not to get vaccinated for the flu, how important are the following considerations:

pc_7_vaccine past experiences with people getting vaccine

My past experiences with people around me (i.e., those I regularly have face-to-face contact with) getting vaccinated for the flu

- 1 Strongly influence me **away** from getting vaccinated
- 2 Somewhat influence me **away** from getting vaccinated
- 3 Slightly influence me **away** from getting vaccinated
- 4 Do not influence my getting vaccinated
- 5 Slightly influence me **towards** getting vaccinated
- 6 Somewhat influence me **towards** getting vaccinated
- 7 Strongly influence me **towards** getting vaccinated

pc_7_infect past experiences with people getting infected

My past experiences with people around me (i.e., those I regularly have face-to-face contact with) getting infected with the flu

- 1 Strongly influence me **away** from getting vaccinated
- 2 Somewhat influence me **away** from getting vaccinated
- 3 Slightly influence me **away** from getting vaccinated
- 4 Do not influence my getting vaccinated
- 5 Slightly influence me **towards** getting vaccinated
- 6 Somewhat influence me **towards** getting vaccinated
- 7 Strongly influence me **towards** getting vaccinated

[End of table display]

[The following questions are displayed as a table]

tableintro how important table

When thinking about whether or not to get vaccinated for the flu, how important are the following considerations:

pc_8_gotvac past experiences with getting vaccine

The times in the past when I got vaccinated for the flu

- 1 Strongly influence me **away** from getting vaccinated
- 2 Somewhat influence me **away** from getting vaccinated
- 3 Slightly influence me **away** from getting vaccinated
- 4 Do not influence my getting vaccinated
- 5 Slightly influence me **towards** getting vaccinated
- 6 Somewhat influence me **towards** getting vaccinated
- 7 Strongly influence me **towards** getting vaccinated

pc_8_didnotvac past experiences with not getting vaccine

The times in the past when I did not get vaccinated for the flu

- 1 Strongly influence me **away** from getting vaccinated
- 2 Somewhat influence me **away** from getting vaccinated
- 3 Slightly influence me **away** from getting vaccinated
- 4 Do not influence my getting vaccinated
- 5 Slightly influence me **towards** getting vaccinated
- 6 Somewhat influence me **towards** getting vaccinated
- 7 Strongly influence me **towards** getting vaccinated

pc_8_gotflu past experiences with getting flu

The times in the past when I got the flu

- 1 Strongly influence me **away** from getting vaccinated
- 2 Somewhat influence me **away** from getting vaccinated
- 3 Slightly influence me **away** from getting vaccinated
- 4 Do not influence my getting vaccinated
- 5 Slightly influence me **towards** getting vaccinated

- 6 Somewhat influence me **towards** getting vaccinated
- 7 Strongly influence me **towards** getting vaccinated

pc_8_notgetflu past experiences with not getting the flu

The times in the past when I did not get the flu

- 1 Strongly influence me **away** from getting vaccinated
- 2 Somewhat influence me **away** from getting vaccinated
- 3 Slightly influence me **away** from getting vaccinated
- 4 Do not influence my getting vaccinated
- 5 Slightly influence me **towards** getting vaccinated
- 6 Somewhat influence me **towards** getting vaccinated
- 7 Strongly influence me **towards** getting vaccinated

[End of table display]

[The following questions are displayed as a table]

tableintro how important table

When thinking about whether or not to get vaccinated for the flu, how important are the following considerations:

pc_9_media media importance on getting vaccinated

Media coverage of the flu and flu severity over the past few years (on TV, radio, internet, etc.)

- 1 Strongly influence me **away** from getting vaccinated
- 2 Somewhat influence me **away** from getting vaccinated
- 3 Slightly influence me **away** from getting vaccinated
- 4 Do not influence my getting vaccinated
- 5 Slightly influence me **towards** getting vaccinated
- 6 Somewhat influence me **towards** getting vaccinated
- 7 Strongly influence me **towards** getting vaccinated

[End of table display]

pc_10_contact enough people in network getting vaccinated

If enough people that you have regular, face-to-face contact with get vaccinated, would you be more or less likely to get vaccinated yourself?

- 1 Much more likely
- 2 Somewhat more likely
- 3 Neither more nor less likely
- 4 Somewhat less likely
- 5 Much less likely

IF Much more likely in pc_10_contact THEN

|

| **pc_10_contact_more** explain more likely

| Why do you think you would be more likely to get vaccinated?

| Open

|

ENDIF

IF Somewhat more likely in pc_10_contact THEN

|

| **pc_10_contact_more** explain more likely

| Why do you think you would be more likely to get vaccinated?

| Open

|

ENDIF

IF Somewhat less likely in pc_10_contact THEN

|

| **pc_10_contact_less** explain less likely
| Why do you think you would be less likely to get vaccinated?
| Open
|
ENDIF

IF Much less likely in pc_10_contact THEN
|
| **pc_10_contact_less** explain less likely
| Why do you think you would be less likely to get vaccinated?
| Open
|
ENDIF

pc_11_fever fever since September 2011
Since September 2011, were you ever ill with fever?
1 Yes
2 No
3 I don't remember

IF Yes in pc_11_fever THEN
|
| **pc_11_fever_cough** fever with cough
| Did you also have a cough or sore throat at that time?
| 1 Yes
| 2 No
| 3 I don't remember
|

ELSE

|
| **pc_11_fever_cough_dr** ever fever and cough since September 2011
| Since September 2011, did you ever have a cough or sore throat?
| 1 Yes
| 2 No
| 3 I don't remember
|
