Q3_occupation Q3 occupation
 In which category is your current occupation? Please start typing, and the list below will automatically fill with suggestions. Please select an option from the list, then click NEXT. If you do not see an option in the list below that is correct for you, then please type your full occupation in the text box, then click NEXT without selecting an option. By occupation, we mean the type of work—the main set of activities and tasks—that you are paid to perform, regardless of the main activity (or industry) of your company. For example, if you are an accountant working for a firm that manufactures dental equipment, you would select “accountant” as your occupation below and “dental equipment and supplies manufacturing” as your company’s main activity on the next page.
