

## Well Being 501

IF random\_priming = 1 THEN

| **P1** safety/patriotism frame

| Throughout its noble history, the U.S. has been a symbol of hope for people of all countries. We  
| Americans are deeply proud of our history and our ancestors, who risked everything to come to this  
| great country to seek a better life for themselves and their families. Like our ancestors,  
| Hispanic/Latino immigrants are patriotic, hard-working, family-oriented, deeply religious, and  
| devoted to this country. Hispanics/Latinos have a strong presence in the military (especially in  
| the Marines), attend church more than other groups, and believe that the way to get ahead is  
| through hard work.

|  
ELSEIF random\_priming = 2 THEN

| **P2** justice/equity frame

| Throughout its history, the U.S. has been known as a symbol of fairness and justice, living up to  
| the writing on the Statue of Liberty: "Give me your tired, your poor, your huddled masses."  
| Unfortunately, current policies that blame immigrants for social and economic problems and  
| encourage "cracking down" on immigration may be changing our reputation as a country. Hispanic  
| Latino immigrants are being unjustly portrayed as contributing to crime and draining financial  
| resources, even though they have lower crime rates and contribute more to the economy than they  
| receive in benefits. Hispanic/Latino immigrants live in fear of federal immigration raids by ICE,  
| their families being broken apart, and kids who have lived in the U.S. their whole lives being  
| deported.
