Question vac_w3_mem()

vac_w3_mem

[Not required]

In the last survey, we gave you some information about childhood vaccines in a text with a yellow background and a blue border. Do you remember what the text said, approximately?

Even if you remember just a small part of it, please write it down. Please do not go back to see the text, this question does not affect your approval or payment.

vac_w3_manip

[Not required]

Here is the information about childhood vaccines we gave you.

^f('manipulation_text').get()^

When you think about the text above, what comes to mind?

Please write a few words.

vac_w3b_bel

[Not required]

Do you think childhood vaccines are unsafe or safe for healthy children?

Select the number that comes closest to your views.

- O 1 Completely unsafe (1)
 O 2 (2)
 O 3 (3)
 O 4 (4)
 O 5 (5)
 O 6 (6)
 O 7 Completely safe (7)

vac_w3b_cert
[Not required]

How certain are you about your beliefs regarding the safety of childhood vaccines?
